AUTUMN 2023

The finalists of the PALIMPSEST Creative Dialogues Open Call have been announced!

We are thrilled to announce the **results of the PALIMPSEST Creative Dialogues Open Call**. It was a challenging task as the **quality and creativity** of the submissions we received were truly remarkable. The 14 selected projects exemplify innovation, creativity, and a commitment to making a **positive impact on our pilot landscapes**.

The **Creative Dialogues Meetings** are just around the corner, and these talented creators will be invited to participate in these moments of discussion and co-production. This is an opportunity for them to share their artistic visions with the PALIMPSEST research team and contribute to the transformation of the three selected landscapes and communities facing environmental challenges: **Milan, Jerez de la Frontera and Łódź**.
