1. Palimpsest explores a **field which already exist,**

1. Palimpsest explores a **field which already exist,**
but **(by now)** it is just composed by a **constellation of practices, initiatives and experiences.**

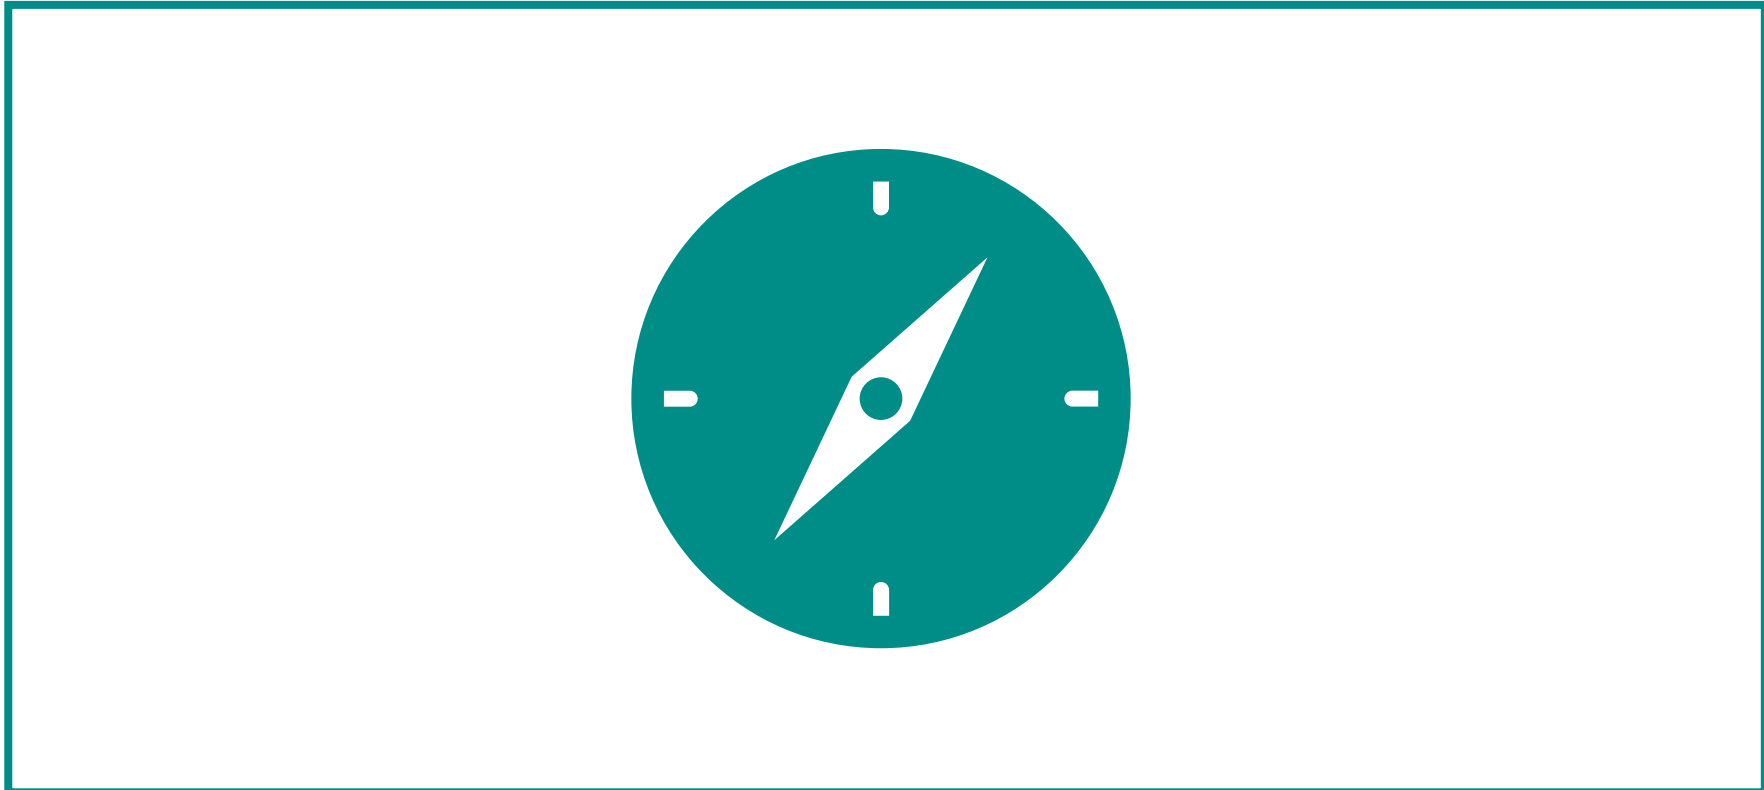

2.

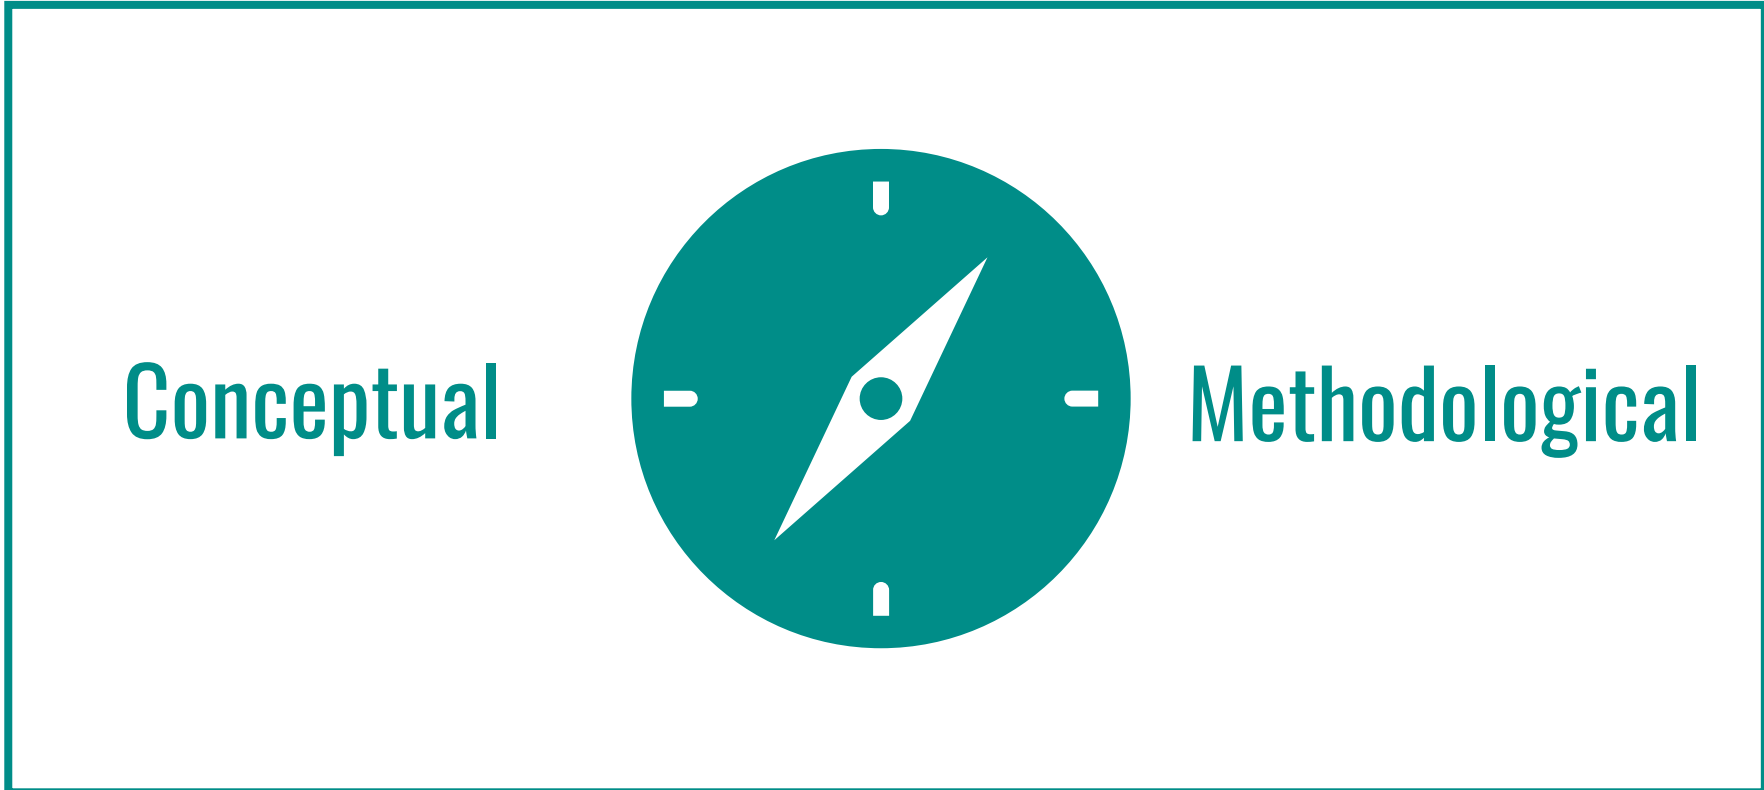

The aim of Palimpsest is **framing that field**
and **identifying its geography**

2.

The aim of Palimpsest is **framing that field**
and **identifying its geography**

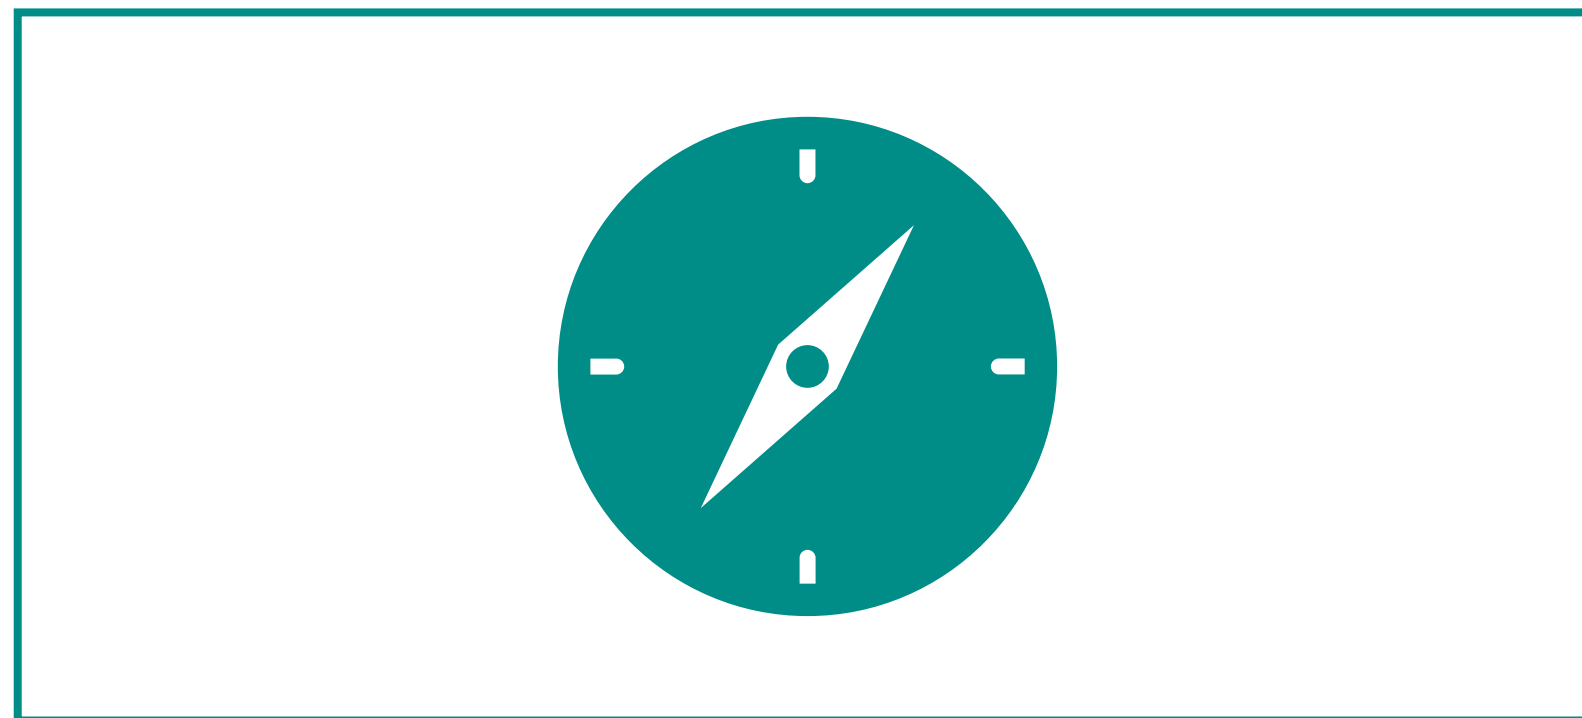

in order to **make it easier to act on it.**
